As soon as the Authority has a newly created position that must file statements of economic interests, the Authority shall contact the County of Santa Clara Clerk of the Board of Supervisors Form 700 division to notify it of the new position title to be added in the County’s electronic Form 700 record management system, known as eDisclosure. Upon this notification, the Clerk’s office shall enter the actual position title of the newly created position into eDisclosure and the Authority’s filing official shall ensure that the name of any individual(s) holding the newly created position is entered under that position title in eDisclosure.
Additionally, within 90 days of the creation of a newly created position that must file Statements of Economic Interests, the Authority shall update this conflict-of-interest code to add the actual position title in its list of designated positions, and submit the amended conflict of interest code to the County of Santa Clara Office of the County Counsel for code-reviewing body approval by the County Board of Supervisors. (Gov. Code Sec. 87306.)
